DIVISION OF
MARKET REGULATION

February 29, 1996

Mr. William C. Sussman
President
SSMT Securities Corporation
1570 Madruga Avenue, Suite 311
Coral Gables, Florida 33146

Dear Mr. Sussman:

This is in response to your letter of February 12, 1996, on behalf of SSMT Securities Corporation ("SSMT"), in which you request an exemption from the requirement of filing audited financial statements pursuant to Rule 17a-5 (17 CFR § 240.17a-5).

I understand the pertinent facts to be as follows: SSMT is a registered broker-dealer. You have represented that the business of SSMT is limited to acting as broker (agent) only for Sunshine State Title & Trust Company ("SST&T"). SSMT does not sell any securities other than securities of SST&T.

Rule 17a-5(e)(1)(i) provides in its pertinent part that the financial statements filed pursuant to paragraph (d) need not be audited if, since the date of the previous financial statements filed pursuant to paragraph (d), the business of the broker or dealer has been limited to acting as broker (agent) for an issuer in soliciting subscriptions for securities of such issuer. In addition, such broker (agent) must have promptly transmitted to such issuer all funds and promptly delivered to the subscriber all securities received in connection therewith, and such broker must not have otherwise held funds or securities for or owed money or securities to customers. This exemption is self-operative and a broker or dealer who complies with the provisions therein need not apply for an exemption thereunder.

Sincerely,

Matthew G. McGuire

RECEIVED

Dear Mr. Sussman,

I have received your letter requesting exemption from the Lost & Stolen Securities Program. The exemption has been approved for one of the following reasons, the firm is :

- "1) A member of a national securities exchange who effects securities transactions through the trading facilities of the exchange and has not received or held customer securities within the last six months;
- 2) A reporting institution that, within the last six months, limited its securities activities exclusively to uncertificated securities, global securities issues or any securities issue for which neither record nor beneficial owners can obtain a negotiable securities; or
- 3) A reporting institution whose business activities, within the last six months, did not involve the handling of securities certificates.

A securities firm that claims an exemption from registration under this provision must realize, however, that if it accepts even one securities certificate for processing, even on an accommodation basis, it will be required to register with SIC and otherwise to participate in the program for at least six months."¹

Please be aware the NASD has the right to evoke this exemption at any time.

Sincerely,

Christopher P Casey
